Drømmer du om kompromisløs performance, ikonisk design og vaskeægte AMG-DNA? Så er denne Mercedes-Benz AMG GT S fra 2016 bilen, der giver alt dette. Under hjelmen gemmer sig en brutal 4,0 liters V8 BiTurbo-motor med hele 510 hestekræfter, der leverer en eksplosiv acceleration og en lyd som man kun finder i disse AMG V8'ere. Sammenkoblet med den lynhurtige 7-trins AMG Speedshift DCT-gearkasse giver den en køreoplevelse, hvor kraft og præcision går op i en højere enhed, og hvor hvert eneste gearskifte føles skarpt og direkte. Designet er en fornøjelse at betragte, den langstrakte motorhjelme, de muskuløse linjer og den brede bagende. Bilen står færdiggjort i den elegante farve Selenite Gray Metallic, perfekt kombineret med en sofistikeret sort læderkabine.

Bilen er synet den 16. maj 2025 uden anmærkninger, og den leveres med danske papirer. Den sælges uden moms og afgift, hvilket gør den oplagt til Leasing. Kontakt os gerne for yderligere info. Sælges i den stand som bilen står i grundet alder km – ring for mere information herom. Finansiering af klassiske biler tilbydes – ring for mere information herom.
